## Synopsis

The New Hampshire Goddess Chronicles, vol 1: Light Your Torch! is a riveting and rollicking green spiritual safari taken with a pantheon of goddesses as guides. With torches raised high, this group of women journey with Voluntary Simplicity down the long brown path together. Around every corner something new is illuminated: an Agawam chief's grave, a trip to inner space, a lover's soulful kiss, the magic of herbs, the joy of celebrating Mother Earth. You laugh, you cry, you see yourself mirrored in the torch-time adventures. This green goddess guidebook helps you find your intuitive inner goddess, while creating your own sustainable lifestyle!(Also available on Kindle: New Hampshire Goddess Chronicles vol 2: A Scorpion in the Desert)What folks are saying about volume 1:"I loved reading this book! It is an openhearted, inspiring and supportive account of one woman's spiritual adventures. I hope her journey will inspire others to embark on their own quests for depth and joy, because our world needs more people who are so fully alive." ~Rev. Frank Clarkson, Unitarian-Universalist Minister Don't pick up this wee book unless you want more peace and bliss. Don't read these torch-lit words unless you want to remember yourself as a green goddess. Whatever you do, don't take its message to heart. Or you may find yourself humming a chant, walking a labyrinth, picking wild weeds for a salad, or even attending a moon lodge. And don't peek either. • ~ Susun Weed, herbalist, author of the Wise Woman herbal series, and voice of the Wise Woman Tradition.
