Vampire (Alpha Claim 3): A New Adult Paranormal Romance

Synopsis

Two New York Times bestselling author styles come together for Dark Paranormal Romance + Urban Fantasy = a yummy Brief Bites novelette. Narah Adrienne is a scant twenty hours from her sentence of three lashes. But first she must meet Marc, her liaison with the illegal underground. He might have the fix for her mysterious medical condition. But Marc's solutions come with questions attachedâ "and at a cost too high to pay. Now that Narah understands her bounty target is really a Hunter assigned to commit a part of her to death, she must make the best choice among terrible options. Narah narrowly escapes capture as Hunter and Turner collide in their pursuit of her. Does she allow Aeslin to turn her into the vampire she is on the verge of becoming, and submit to an uncertain future? Or does she choose to live with the knowledge that she'll never be anything but human by the hand of the Hunter. Worse of all, if Narah does not make her hearing the sentence will worsen. Either way, she could die. Only one man can save her and technically, he's not human. Vampire is 55+ pages/12,000 words, and is the third volume of episodic novelettes in the ALPHA CLAIM serial.

Customer Reviews

What can I say? This author is simply amazing. This series grabs a hold of you and won't let go. The multitude of layers, and the depth of each character is spellbinding. She brings spectacular life to each one, with glorious detail. I'm in awe, and can't wait to read what she has in store for us next.

Utterly Brilliant!!!!!! I love the instant connection between the characters and the reader, the world building is delicious and you're there above it all watching the scenes fold out. Edge of your seat enjoyment throughout in this instalment. I am really enjoyed Narah's short time with the human friend/saviour/booty call Marc. It's time for Narah's punishment the dreaded lashes and if one of the hotties from Vampire Town or Hunterville will step up and save her!!!!!! And her impending will she or won't she become a vampire or a sterile human. You feel for her in every agonising step she takes towards her lashings hoping someone will hurry up and rescue her or her to at least rescue herself. Spectacular!!!!!! Yes another cliffhanger but installment 4 is already out and ready for reading. All up I think this is the most action packed installment in the series so far and I really can't wait to see what becomes of Narah, Aeslin and Matthew. I most Definitely will be continuing on with the series.

Ahhh. Women I love your work and you always have me hanging my strings and tears in some spots. But cliffhanger master you are.. Fantastic spin in these brief bites I absolutely love the story so far and can't wait to have more thrilling exciting characters and story to go with. So 5 stars fabulously written *bows down to the queen* thanks for writing so well.

Nanah will learn what she is becoming. Matthew is assigned to watch her betting and the vampires want to save her. This is the third book in the Alpha Claim series. If you have Kindle Unlimited read it or Prime. If you buy books wait for them to put the series in one book because the stories are short and most of the books have more simply the story.

I love Marata Eros books, this series was pretty good. I like the Hunter vs Turner. I think Aeslin is hot!!! I want Narah to let him turn her, don't really care for the Hunter!

We find out who is a traitor and how the lashings are going. This is where we find out who cares for whom.
