Dark Space (Book 3): Origin

Synopsis

Book 3 of the #1 Best-Selling Space Opera THE DEFIANT IS STRANDED Ethan and his son, Atton, have been arrested for high treason and conspiracy, crimes which will surely mean the death sentence, but itâ€™s beginning to look like theirs aren't the only lives in jeopardy the Defiant is stranded in Sythian Space, and the vessel which Commander Caldin sent to get help has used all its fuel to get to Obsidian Station, only to find out that the station has been destroyed. Now the Defiantâ€™s last hope for a rescue is gone, and everyone on board is about to die a cold, dark death. HUMANS ARE STILL FIGHTING EACH OTHER Meanwhile, the notorious crime lord, Alec Brondi, is plotting to capture the remnants of Admiral Hoffâ€™s fleet, just as he captured the Valiant, but Hoffâ€™s men are on to him, and Brondi is about to get a lot more than he bargained for, forcing him to flee to the one place he knows will be safe Dark Space. AND A NEW INVASION IS ABOUT TO BEGIN But Dark Space is only safe because the alien invaders donâ€™t know exactly where it is, and now they have a plan to find it which will threaten not only Dark Space, but the entire human race.

Customer Reviews

A sci-fi space opera in the vein of the Battlestar Galactica television show, the Dark Space series from Jasper T. Scott (@JasperTScott) features thrilling space battles and a multitude of twisty sub-plots arising from humanity's fight for survival a decade after the devastating invasion of the alien Sythians pushed human survivors into a hidden corner of the galaxy: Dark Space. Note: My views are based on a copy of the book provided by the author in exchange for an honest review. The second book in the series, Dark Space: The Invisible War ended with every major character facing crisis, and Dark Space: Origin wastes no time getting the reader back into the action and drama surrounding the Ortane family. Ethan Ortane, a convicted smuggler who was blackmailed into carrying out a devastating attack that crippled the remaining human fleet keeping Dark Space safe, and his teenage son Atton languish in jail after being accused of treason for impersonating the Overload, the leader of humans in Dark Space. Ethan's attack left the capital starship Valiant in the hands of crime boss Alec Brondi, who never met another human he wouldn't sacrifice for his own gain. After barely surviving the Sythian attack on her homeworld, Ethan's wife Destra escapes and lands on a barely habitable planet in the company of a fleet admiral who plays a central role in the third installment of the book. Hoff Heston leads the military contingent that remained outside of Dark Space, evading the Sythians who have cloaking technology. Heston and the Overlord – first Atton and then Ethan Ortane in disguise – disagree on several issues, most centrally the trustworthiness of the alien Gors, a deadly race enslaved by the Sythians but who now fight alongside the Dark Space humans.
