# The Marx Sisters: A Kathy Kolla And David Brock Mystery (Brock And Kolla Mysteries)

## **Synopsis**

Detective Kathy Kolla's first case is one for the books. Meredith Winterbottom, a resident of Jerusalem Lane--a quaint section of London inhabited by Eastern European immigrants--and a great-granddaughter of Karl Marx, is found dead. Was she the victim of greedy real-estate developers, or was she killed for the politics of another age? When a second Marx sister is killed, David Brock, Chief Inspector of Scotland Yard, is brought in to help. As Kathy and Brock delve into the Lane's eccentric melting pot, they find unpublished letters from Marx to Engels; a possible fourth volume of *Das Kapital*; an endless list of shady suspects; and a plot to end Kathy's investigating days for good. Can they unravel the mystery before Kathy's first case is her last? Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction--novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

## Customer Reviews

It was fun reading the Marx Sisters, i really enjoyed it, and also I learnt a lot about Marx, plus I love books about English history, in particular about London. Being so far away in Australia, English history really draws me to it. So it was a great crime story but also a lesson in history, and I can take plenty of that. I can't wait to read the next Kathy Kolla and David Brock mystery.

Barry Maitland of Australia is a recent and welcome discovery. The Marx Sisters, the first in his Brock/Kolla series, is far above the usual fare--it goes beyond mystery to a well done novel about Karl Marx and his family. I am looking forward to the rest of the series as they are now all available in the USA.

The book is well written, but the proofreading of this Kindle e-book was terrible! I paid \$10 for a book that was obviously scanned and never proofread after the scanning. I have paid far less for books that were proofread far more. I want a rebate!

Its an interesting book not your average shoot em up muder story,we nerd lots more of this type of book in your library ,these new popular eriters have maybe three pages to a chapter,once youve read one they are l the same.
