Synopsis

While Book 5 concentrated on civilian vehicles, Book 6 focuses on the military. From armoured wagons and light tanks to giant ships and walking mecha, this book will allow your players to face the full might of military forces, be they armed police or a full scale army! Supplement 6 details these vehicles and provides many ready for play, to be inserted into your Traveller campaign, whatever the setting. The Traveller Vehicle Creation System is expanded in this book, to allow for all manner of military spec additions, such as armour, weaponry and advanced electronics.

Customer Reviews
