Customer Reviews

I was stuck on the 3 level, I didn't know what to do, then I bought this book one day. Then boom! I was on the 9 level, kinda hard though. You got to get this book people!!!!!!!!!!!!!!!!!!!!!!

This is one of the most best strategy guides for my game. I got stuck on Level 2, and now with this guide I'm on level 9. Why, it even tells you what dialogue options to say! And finally, it reveals a way to get rid of those pesky destroyer droids! No nook, no cranny, is left untouched in this book. A MUST BUY.....

I couldn't even finish the first level until I bought this book! Now, five days later, I'm on level nine. This book includes helpful maps and tells where all the secret areas are. I just wish it included some cheat codes.
