The Miss Fortune Series: Overdue 2: Rematch (Kindle Worlds Novella)

Synopsis

An assassin's life is filled with many challenges. She has to be ready at a moment's notice to drop behind enemy lines and do what is necessary to complete her mission. Even if it means putting on a pair of skates and joining the Sinful Sliders in a rematch to determine once and for all who won the Louisiana Derby Championship of 1982. Should be an easy mission, right? Wrong. Someone else has other plans, and attacks one of the opposing skaters before the championship bout, dropping clues that frame an innocent man and point toward Ida Belle as an accomplice. BUT a famous, yet reclusive, Sinful author Lila Rose Fontaine saw the attacker's face. Should be easy to solve this one, right? Wrong. Lila Rose Fontaine suffers from a multiple-personality-like disorder, and one of her alternate personalities was the witness, leaving Lila Rose with no memory of what she saw. What lengths will Fortune, Ida Belle and Gertie go to unlock the mystery held in Lila Rose's mind? And can they do it time before the attacker strikes again? Overdue 2: Rematch is a follow-up to Overdue, featuring the reclusive author, Lila Rose Fontaine, and takes place after the events of Fortune Hunter, Book 8 of Jana DeLeon's Miss Fortune series. A WORD FROM THE AUTHOR: Overdue2: Rematch was not written by Jana DeLeon. Rather it is part of the Kindle Worlds program, wherein Jana DeLeon has allowed writers to create stories using the world of Sinful and the wacky characters it's famous for. I wish to thank Jana DeLeon for graciously allowing other writers to explore their own writing in a most Sinful way. Also, please note that this story is a follow-up to Shari Hearn's Kindle Worlds novella, Overdue. With regard to Fortune and Carter's relationship, this story follows the storyline after the events of Fortune Hunter, Book 8 of Jana DeLeon's original series. Please forgive any discrepancies with my story and future Jana DeLeon Miss Fortune books.

Customer Reviews

Once again thanks to Jana DeLeon for allowing authors to contribute to the Miss Fortune Series. It gives her fans our "fix" on Fortune, Gertie, Ida Belle, and of course Carter, until a new novel is published by Jane DeLeon. I love this novella, it was perfect from start to end. It followed Overdue but each is a complete novella which do not have to be read in sequence. Can you imagine women who won the 1982 Championship Derby are going to have a rematch in 2016? Team members from the original Sinful Derby have died since then, and Fortune has been recruited to skate. No problem, right? One of the members from the other team has been injured. Blame has been placed on someone Ida Belle and Gertie do not believe did it. The young man being blamed will not give an alibi. Fortune, Ida Belle, & Gertie must solve this before he can be officially charged with a crime and even Ida Belle is now being suspected in this crime. Enter Lila Rose Fontaine (from Overdue) who has multiple personalities. One of her multiple personalities saw it and that personality comes and goes. So Fortune, Ida Belle & Gertie must solve this mystery. It has great dialog, all the elements you expect, plus you will have a great time with this story. You will not want it to end.

Miss Fortune's adventures are fresh, fun, and unbelievable. I think that is why I enjoy them so much. Shari Hearn does an awesome job of keeping the characters as Jana DeLeon created. I've thoroughly enjoyed this book and the others she's written in this series. I look forward to the next book in the series.

I thoroughly enjoyed Overdue 2, which can be read as a standalone or as a sequel to The Miss Fortune Series: Overdue (Kindle Worlds Novella). Ms. Hearn writes true to the Miss Fortune canon, and in fact does an amazing job of capturing the "voice" of the originals. At the same time, she populates the Sinful universe with her own complex and quirky characters--Lila Rose Fontaine, Miss Cookie and Delphine, and of course the denizens of Mudbug Roller World.

I thoroughly enjoy reading about fortune. It seems no matter who writes her stories, they are intense. They are impossible to put down. I usually read them in one sitting. Highly recommended.
