## Synopsis

Subsidiaries: A Guide to Pentex details the structure, products, mission statements and innermost goings-on of six of Pentex's nastiest subdivisions. Whether you like your Wyrm-tainted corporate antagonists awesomely powerful and influential, like Magadon or Endron, or nasty in a subtle fashion, like King Distilleries, Avalon Toys and Tellus Electronics, we've got what you need. ## Customer Reviews

This is a must have for everyone who is interested on developing a story on Werewolf :the apocalypse. The descriptions are inmense in a huge quantity of details.

For any of White Wolf gaming this makes for great adversaries. Subtle yet wicked.

Not only does this book wonderfully highlight a long-established but heretofore not very detailed villain group, but it does so with tongue firmly in cheek. This book is useful for just about ANY World of Darkness game. I've used it for Changeling AND Mage and it has enough detail to work well for campaigns where there is slow discovery of just HOW deep the conspiracy goes. Highly recommended for any WoD game!
