## Customer Reviews

The stories all started out pretty good but all but one or two sort of fizzled at the end, leaving me feel kind of cheated.

I was expecting a much larger book.

I enjoyed reading this book. The stories were new & interesting, not just repeats of stories that you find in lots of other books of "ghost stories". I would definitely recommend.

I am always left wanting more with these books. I wish I could find a huge collection so I could read for more than an afternoon.

I didn't realize it was so thin. Stories were good
