Organic Chemistry Reactions (Quick Study Academic)

[illegible]

Synopsis

Quick Reference for the core essentials of a subject and class that is challenging at best and that many students struggle with. In 6 laminated pages our experienced chemistry author and professor gathered key elements organized and designed to use along with your text and lectures, as a review before testing, or as a memory companion that keeps key answers always at your fingertips. As many students have said "a must have" • study tool. Suggested uses:

- Quick Reference " instead of digging into the textbook to find a core answer you need while studying, use the guide to reinforce quickly and repeatedly
- Memory " refreshing your memory repeatedly is a foundation of studying, have the core answers handy so you can focus on understanding the concepts
- Test Prep " no student should be cramming, but if you are, there is no better tool for that final review

Book Information

Series: Quick Study Academic

Paperback: 6 pages

Publisher: QuickStudy; Lam Rfc Cr edition (December 1, 2015)

Language: English

ISBN-10: 1423228189

ISBN-13: 978-1423228189

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 4 ounces (View shipping rates and policies)
