Will You Love Me?: The Story Of My Adopted Daughter Lucy

Synopsis

This eleventh memoir and latest title from the internationally bestselling author and foster carer Cathy Glass can either be read as a full eBook or in 3 serialised eBook-only parts. *Will You Love Me* tells the true story of Cathy's adopted daughter Lucy. Lucy was born to a single mother who had been abused and neglected for most of her own childhood. Right from the beginning Lucy's mother couldn't cope, but it wasn't until Lucy reached eight years old that she was finally taken into permanent foster care. By the time Lucy is brought to live with Cathy she is eleven years old and severely distressed after being moved from one foster home to another. Withdrawn, refusing to eat and three years behind in her schooling, it is thought that the damage Lucy has suffered is irreversible. But Cathy and her two children bond with Lucy quickly, and break through to Lucy in a way no-one else has been able to, finally showing her the loving home she never believed existed. Cathy and Lucy believe they were always destined to be mother and daughter – it just took them a little while to find each other.

I just finished "Will you love me" last night and WOW! When you told her she got to stay I had tears

dripping off my chin. ALL she ever wanted was a family and home she could call her own. I was so worried about the lack of food she was eating and was worried about organ shut down because of it, that did scare me a bit in the book. Lucy you are the luckiest lady in the whole world. You have the best Mom that one could ever ask for. I truly am sorry the system failed you so badly and took so long to get you to your for-ever Mom/Mum! Cathy I praise you from the bottom of my heart, coming from being adopted at 12 yrs old when my birth Mom/Mum was killed in a car crash. My Mom's best friend at the time adopted me but she was only 12 yrs older than me at 24 yrs old. I lost my dear Mom/Mum in 2008 and it still breaks my heart that I lost my 2nd Mom/Mum too early. I first found your book "damaged" this year when I got a kindle, and I have gone and read I think all the rest of your books. I have them on my kindle but I might have to order the whole collection for my book collection, so that I can share them with some of my friends who read. They of course have not heard of your books as I have never seen them in any stores, and I am always scanning ALL the books, so I would not have missed these! I do hope this is not the last story you have, (not meaning I want more kids to be hurt and go into care!) but I know that there are so many kids out there going through this. The wonderful story of how Lucy became your legal daughter was by far the most touching of all. I had just finished the book about Alice when I started Lucy's book, so at the end of Lucy's book when you get Alice I figure I was already ahead!
