## Synopsis

In 1966 in Pulaski, Tennessee, Bocephus Haynes watched in horror as his father was brutally murdered by 10 local members of the Ku Klux Klan. As an African American lawyer practicing in the birthplace of the Klan years later, Bo has spent his life pursuing justice in his father's name. But when Andy Walton, the man believed to have led the lynch mob 45 years earlier, ends up murdered in the same spot as Bo's father, Bo becomes the prime suspect. Retired law professor Tom McMurtrie, Bo's former teacher and friend, is a year removed from returning to the courtroom. Now McMurtrie and his headstrong partner, Rick Drake, must defend Bo on charges of capital murder while hunting for Andy Walton's true killer. In a courtroom clash that will put their reputations and lives at stake, can McMurtrie and Drake release Bo from a lifetime of despair? Or will justice remain hidden somewhere between black and white?

## Customer Reviews

I work for a small, plaintiff's law firm and after I read *The Professor*, I bought copies for both of the attorneys at our firm. I purchased copies of *Between Black and White* (BB&W) for them before I ever read it - I suspected it would be very good. When you live in or around Little Rock, Arkansas, you understand what Pulaski Tennessee, goes through. The first thing people think when Little Rock comes up, is the integration crises of 1959. The interesting thing is that Pulaski, Tennessee, and Pulaski County, Arkansas, where Little Rock is located, are both named for Polish Count Casimir Pulaski. Having said that, I strongly encourage you to read *The Professor* before you read BB&W, it

will give you background on the characters and the action. I started reading this book Saturday morning at 10:00 a.m. and I didn't take off my PJs, didn't go get my mail, didn't eat a bite of anything. I drank two cups of coffee and fixed myself a glass of Coke. I was just about there when my son and his wife came over. They stayed no more than 30 minutes and left. I immediately returned to my book and at 9:00 p.m. closed it - finished. As a 5 year old boy, Bo Haynes watched as his dad was hung by 10 members of the Ku Klux Klan. Although he knew who one of the men was, because he was so accustomed to hearing his voice, the Sheriff said he couldn't take the word of a 5 year old boy about the man's voice. Point to remember. Before his dad walked out into the night to face what he knew was coming, he made his son promise, among other things he would take care of his mamma (Point to remember), and he would make something of himself. The next morning his mamma was gone and he never saw her again.
