Customer Reviews

The codex got to me in a short amount of time and the quality was very good. it was a good experience will buy from this seller again.

This is NOT the full Dark Angels codex, it is only a supplement for the regular Space Marine codex. If you do not have the full codex for regular Space Marines, DO NOT BUY THIS ITEM. This book does NOT include all the information you need to build a Dark Angels army. If you already own the full Space Marine codex and want the extra few bits of information about the Dark Angels, then go ahead and buy this book. If you are looking for the actual DA codex, do not buy this item.
