Spirit Babies: How To Communicate With The Child You're Meant To Have

Synopsis

Am I Meant to Become a Parent? Why Can't I Conceive? What Is My Unborn Child Trying to Tell Me? In this reassuring, supportive, and accessible book, leading clairvoyant and medium Walter Makichen offers guidance to prospective parents eager to create a warm, nurturing environment for their soon-to-be-conceived-or-born children. Applying the wisdom and insights he has gained through twenty years of communicating with these spirit babies, Makichen helps you resolve issues about starting a family, actively participate in the psychic process of creating a child, and move past your worries and fears about becoming parents. From the seven essential chakras that link our body, mind, and spirit to why pregnant women are superpsychic, you'll discover:

- * How to create the energy that nurtures spirit babies
- * How to understand how past lives and chakras relate to your unborn child
- * The conception contract "what it is and what it means for you and your child"
- * How karmic pairings affect conception and pregnancy
- * Why miscarriages occur and what they can signify

Plus spirit babies and guardian angels, spirit babies and adoption, spirit babies and dreams, and much more. Featuring inspirational examples of couples who are now happy parents, as well as breath exercises and healing meditations at the end of each chapter, *Spirit Babies* tells you everything you need to know to become the parent you were meant to be.

Customer Reviews

I have read this book after I had a stillborn baby born at 36 weeks gestation. I started looking for a way to find out what happens to babies who die in the womb, or during birth. I came across this

book, that I found really fascinating. The book is a story of a medium and his work. The first pages give you understanding on how the author opened his talent. Then he tells stories of couples and mothers, who came for a reading due to different reasons. Some could not get pregnant, some had fear of birth, some wanted to communicate with a baby in the womb, some had miscarriages. Whatever reason that was, they all had explanation from a spirit baby realm. The author talks a lot about chakra system in the human and how it influences a lot of processes both in the physical and spiritual worlds. He also gives meditations and chants in order for seeking couples to get connected to their spirit baby, and possibly ask questions, or comfort the baby. When a child dies in the womb, or during birth, he does not go to the land of the dead, but rather go back in line to be born again. He is staying with the mother until conception happens. The author talks a lot about karma. He is saying that a child chooses parents based on the karma, the learning life experience that this parents are able to offer. This karma is what he is coming back to Earth for. Spirit of babies are different like all of us. Some are sad, some are happy, some are slow and some are fast. If miscarriage happens, it might be caused by different reasons. Spirit baby might not be ready to incarnate yet and might want more time to prepare. Spirit babies can incarnate as males or females, but some are more used to one gender than the other, and are afraid to be born. So they need more time.
